Dear Community Supporters,

The Honorable Wilma J. Webb  
Honorary Chair

The Central Region of Delta Sigma Theta Sorority, Inc., a historically African American organization of college-educated women, will hold its **46<sup>th</sup> Regional Conference** in Denver, Colorado, *June 5-8 2014*. As a private, non-profit organization, founded at Howard University, Delta Sigma Theta has initiated more than 200,000 members and provided assistance as well as support through established programs in communities around the world.

Frances E. Jefferson  
Co-Coordinator

DeLois M. Porter  
Co-Coordinator

Stephanie M. Lafitte  
Colorado State Coordinator

The Central Region, one of seven geographic regions within the organization, includes the states of Colorado, Iowa, Kansas, Missouri, North Dakota, Oklahoma, Nebraska, South Dakota and Wyoming. The Denver Alumnae (DAC) and Zeta Pi (collegiate) chapters will be the joint hosts for the event, which will be held at the Marriott City Center in Downtown Denver. DAC has nearly 200 members and is one of the largest predominately African-American organizations in the state of Colorado.

Candice S. Davis  
Colorado State Facilitator

Djuana M. E. Harvell, PhD  
President – Denver Alumnae

Simone A. Richardson  
President – Zeta Pi

Please see the attached **Souvenir Journal Request Form** to submit ads for the Conference. The journal will be provided to all conference participants from the nine state region. It is an excellent way to promote your business, service, or institution to show your support for the conference. **The deadline for ad submission is Friday, May 2<sup>nd</sup> 2014.**

We will also host the first of seven 5K Runs/walks to be held during this regional conference cycle. Registration for children is free and \$25.00 for adults. The Central Region 5K run will allocate partial proceeds to the Wounded Warrior Project – dedicated to helping rebuild the lives of those injured while on active duty. We anticipate this will be one of the largest 5K events of the 7 regions and interested participants are invited to contact us regarding potential partnerships. Pre-race activities will focus on health & wellness in diverse communities. To register, please go to:
